Notification of filing of FCC Form 302-DT (File No. BL CDT-20050706AAA)
WOWT-DT (Facility ID No. 65528), Omaha, Nebraska
Gray Television Licensee, Inc.
FRN: 0002-4670-22**

Dear Ms. Dortch:

On behalf of Gray Television Licensee, Inc., the licensee of WOWT-DT, Omaha, Nebraska, its attorneys file this notification of the filing of the FCC Form 302-DT, Application for Digital Television Broadcast Station License.

On July 1, 2005, Gray Television Licensee, Inc. filed a request for Waiver of the July 1, 2005 Use it or Lose it deadline. As noted in that Waiver request, circumstances beyond the station's control prevented WOWT-DT from commencing digital operations in conformance with its construction permit by the July 1, 2005 deadline. Since the waiver request was filed, the construction of the WOWT digital facilities has been completed and the station is now operating at full power.

Late on July 1, 2005, the tower crew and engineering staff of WOWT-DT were able to complete orientation of the antenna and complete the necessary connections. The station was then briefly brought on air. However, certain final adjustments and tests of the antenna were necessary and the station was taken off the air until Tuesday, July 5, when the station began formal program tests. As noted above, the license application was filed with the Commission on July 6.

Should any questions arise concerning the original Waiver request or the subsequent filing of the FCC Form 302-DT, please contact the undersigned directly.

Respectfully submitted,

Joan Stewart
